

POLICY AND PROCEDURE: Uniform

1. PURPOSE

The purpose of this policy is to describe Holy Spirit College's approach to student uniform.

2. RATIONALE

Students and parents/carers have the responsibility for the appropriate care and maintenance of the College uniform items in their possession. Poorly maintained or damaged uniform items may need to be replaced. All items of uniform should be marked with the student's name to avoid loss or confusion with other student's items.

3. POLICY STATEMENT

Taking pride and care in one's appearance is an excellent way of expressing self-respect and showing others that you respect them. Clean and appropriate grooming, and the correct wearing of the College uniform follows on from this premise and reinforces the notion that students are aware of the importance of being part of something bigger than themselves. By living up to these expectations daily, students are demonstrating they are a proud member of the Holy Spirit College Community.
